

**Docomomo US National Symposium
Sponsorship Opportunities**

**CHICAGO: CROSSROADS OF
MODERN AMERICA**

**May 25-28, 2021
A virtual event.**

Docomomo US is the international organization for the documentation and conservation of buildings, sites and neighborhoods of the modern movement.

Docomomo US/Chicago serves the greater Chicago region. We are a nonprofit organization that works through advocacy, education and documentation to preserve Modern architecture and design realized during the 20th century.

We invite you to join us virtually for the 2021 Docomomo US National Symposium where we will explore our thematic vision which views innovation and change through the lens of the modern movement. Experience Chicago's history and the prospects for the recognition, interpretation, preservation and extension of these forms and ideas of modernism in the middle of America.

2021 SYMPOSIUM HIGHLIGHTS

Tuesday, May 25

Our opening day will feature our keynote address followed by an early evening tour of Unity Temple, recently named a World Heritage site.

Wednesday, May 26

Panel discussions and paper presentations are featured throughout the day. The evening is capped by a tour of the Mies van der Rohe designed S.R. Crown Hall and the historic Illinois Institute of Technology campus.

Friday June 5

Panel discussions and paper presentations are featured throughout the day. The evening is capped by a tour of Walter Netsch's University of Illinois at Chicago campus.

Saturday, June 6

Panel discussions and paper presentations are featured throughout the day. The evening is capped by a tour and celebration of the James R. Thompson Center.

2021 SYMPOSIUM AUDIENCE

The Docomomo US National Symposium attracts participants from all over the country and the world. Attendees include senior level architectural Professionals focused on preserving modern architecture, architectural historians, preservation professionals, realtors, educators and modern enthusiasts.

Participation in the 2021 virtual event is expected to increase significantly with the barriers of travel eliminated. Organizers expect attendance in the 300-500 range.
