MODERNISM IN AMERICA AWARDS 2020

## SPONSORSHIP OPPORTUNITIES

VIRTUAL AWARDS CEREMONY: THURSDAY, NOVEMBER 12, 2020

The Modernism in America Awards is the only national program that celebrates the people and projects working to preserve, restore, and rehabilitate our modern heritage sensitively and productively. The program seeks to advance those preservation efforts, to increase appreciation for the period, and to raise awareness of the ongoing threats against modern architecture and design.

# CELEBRATE THE BEST OF MODERNISM

Now in its seventh year, the Modernism in America Awards celebrate the documentation, preservation and reuse of modern buildings, structures and landscapes built in the United States or on U.S. territory. The Awards recognize building owners, design teams, advocacy groups and preservation organizations that have made significant efforts to retain, restore and advocate for the aesthetic and cultural value of such places.

The 2020 Modernism in America Awards will be presented to 18 recipients during a live virtual event on Thursday November 12, 2020. The event is free and open to the public.
